Model 1580-44A (shown)

ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The pedestal mail boxes shall be Alpha Communications®/Florence 1580 series or approved equal.

Pedestal mail boxes shall be supplied in 8, 12 or 16 compartment units and shall be finished in natural anodized aluminum finish. Each compartment shall be provided with a 5-pin cylinder lock (with spring loaded cover to protect against the elements), 3 keys and engraved numbering. Pedestal mail boxes shall be loaded from the rear and shall be Non-U.S.P.S. approved type. Each unit shall be mounted to a model 1582 (32" high) aluminum pedestal unit.

Contractor shall install as per manufacturers instructions and shall observe all local and national building codes and regulations.
